

Moody's Investors Service (Moody's) affirms Italgas at 'Baa2' and changes Outlook to Stable from Negative

Milan, November 21st, 2023 – The rating agency Moody's has affirmed today Italgas S.p.A LongTerm Issuer rating at 'Baa2', revising the Outlook to Stable from Negative.

The rating action follows the outlook change to Stable from Negative on the Italian government's Baa3 debt rating, carried out by Moody's last 17 November 2023.
