

Italgas stock confirmed in the FTSE4Good Index Series for the eighth year in a row

Milan, 9 July 2024 – Italgas stock has been confirmed for the eighth consecutive year as a constituent of the FTSE4Good Index Series, designed to measure the performance of companies demonstrating strong Environmental, Social and Governance (ESG) practices.

The evaluations of FTSE Russell, among the most influential sustainability rating agencies, are based on the assessment of activities in areas such as corporate governance, health and safety, climate change, and anti-corruption efforts.

Companies included in the FTSE4Good Index Series meet a variety of environmental, social and governance criteria. Italgas confirmed this year the score of 4.3 out of a maximum of 5 points, positioning itself ahead of the industry average.

The achievement of this result once again reaffirms Italgas' focus on sustainable development, aimed at creating opportunities based on the principle of shared value.
