Information for Shareholders and their representatives on the processing of personal data

Italgas S.p.A. (hereinafter, for brevity, the "**Data Controller**" or the "**Company**"), as the data controller, wishes to inform you, pursuant to Articles 13 and 14 of European Regulation 679/2016 with regard to the processing of personal data ("**GDPR**") and the national Italian regulations, including the single provisions of the Regulator (Personal Data Protection Authority), where applicable, regarding the processing of your personal data with regard to your relationship as shareholder or shareholder representative.

1) Types of personal data, purposes and legal basis for the processing

A) Types of personal data

The Company mainly processes the following categories of common personal data:

- identification and contact details (such as, for example, name, surname, date of birth, tax code, postal address, contact details such as telephone numbers and email address, residence, domicile, data contained in the physical or online forms filled out for the purpose of participating in the Shareholders' Meeting, number of shares held);
- audio and video recordings of the sessions, specifically regarding any interventions in the Shareholders' Meeting.

B) Purpose of the processing and legal basis for the processing

The personal data listed above shall be processed, in compliance with the regulatory and contractual provisions in force, for the purposes indicated below:

- a) participation in the Company's Shareholders' Meeting and management of the meeting, as well as fulfilment of the resulting legal obligations (recording and verifying entitlement to participate, also for the purpose of verifying the regular establishment of the Shareholders' Meeting and the quorum for valid constitution and deliberation, recording the presentations and votes in the Shareholders' Meeting in the minutes, as well as exercising the shareholders' right to formulate questions at the Shareholders' Meeting, also via web through the online form on the Company's website);
- b) document the Shareholders' Meeting, also through audio and video recordings, to facilitate the correct preparation of minutes of the meetings by the company's management;
- c) streaming of images through the website www.italgas.it, to allow all stakeholders of the Company to be informed on the activities and presentations made during the Shareholders' Meeting.

For the purposes set out under letter a), the legal basis for the processing is the need to manage your relationship as a shareholder of our Company in order to fulfil the legal obligations to which the Company is subject.

For the purposes set out under letter b), the legal basis for processing is the Company's legitimate interest, within the limits strictly necessary to pursue that legitimate interest.

For the purposes set out under letter c), the legal basis is your consent, if granted, to broadcast audio/video data via an electronic network. On obtaining your consent, the Company may process, free of charge and within the time limits indicated below, also pursuant to Article 10 of the Italian Civil Code and Articles 96 and 97 of Italian Law 633/1941, the images and voice recordings collected during the Shareholders' Meeting.

It is necessary for you to confer your data to pursue the purposes set out in letters a) and b) of point B above. For the purposes set out in letter c) of point B, it is not obligatory for you to confer your data, and if you refuse to grant your consent, this shall only make it impossible for the Data Controller to stream your participation in the Shareholders' Meeting, without, in any event, preventing your participation in the meeting.

3) Data storage

The personal data shall be conserved for a period no longer than necessary for the purposes for which they were collected or subsequently processed, in compliance with the provisions of the legal obligations, without prejudice to the possibility of a longer period of storage in order to exercise rights.

For the purposes set out in letter b) and letter c) of point B of this information notice, the data (audio and video recordings) shall not be stored for a period exceeding that necessary, and, in any case, shall not be stored for a period exceeding three years from the time that the shareholders' meeting resolution is recorded in the competent Business Register. At the end of that period, the data shall be eliminated.

4) Disclosure, dissemination and transfer of data

The data provided shall not be transferred to third parties and shall not be disseminated, except for when required with reference to letter c) of point B.

The data shall be processed in the European Union and stored on servers located within the European Union.
